

# AgTech REEU

## Developing the future workforce for next-generation agriculture

AgTech REEU is a Research and Extension Experiences for Undergraduates (REEU) Program funded by the USDA and focused on innovative technologies that support sustainable agriculture and development.

### Program highlights:

- An 8-week summer internship with \$500/week stipend, travel to TAMU-CC, on-campus housing and meal allowances (\$140/week).
- Webinars during fall & spring semesters.
- Conference opportunities and travel support.
- Training with extension experience, field trips, workshops, guest speakers, and hands-on activities.
- Research topics focused on Internet of Things (IoT)s, Unmanned Aircraft Systems (UAS), and Geospatial data analytics.

### Eligible applicants must:

- Be U.S. citizens or permanent residents
- Enrolled in an undergraduate degree program at a community college or four-year university
- Majoring in STEM, Agriculture, or related field of study
- Have cumulative GPA of 2.8+

Students from underrepresented groups are especially encouraged to apply.

## Application deadline is Feb. 15, 2024
